

G.W. WRIGHT DIES IN PETERSBURG

End Came at Home of His Daughter After Long Illness.

BARN BURNED AT MATOACA

Rumors of Probable Opposition to Council—Name Tickets.

Times-Dispatch Bureau.
109 North Sycamore Street,
Petersburg, Va., April 30.
G. W. Wright, an aged and highly respected citizen, died this morning at the residence of his daughter, Mrs. W. E. Freeman, on East Tabb Street, after a protracted illness. He was in his eighty-fourth year, was a native of Bedford City, and had been living in Petersburg about three years. He was a gallant Confederate soldier, a member of Company F, Twenty-eighth Virginia Regiment, commanded by Captain Hugh Nelson, participated in many engagements and was wounded at Sharpsburg, Md. He is survived by only one daughter, Mrs. W. E. Freeman, of this city, but he leaves many friends, who will regret his death. The burial will be in Bedford City.

Personal and Otherwise.
A. M. Orgain, the venerable clerk of Dinwiddie County Court, who is critically ill, was reported as somewhat better this morning.

About twenty members of Petersburg Council, Knights of Columbus, will go to Lynchburg tomorrow, to assist in the conferring of degrees on candidates in the council of that city. A large delegation will also go up from Richmond.

Certificate of incorporation of the Pocatent Distilling Company, of this city, was filed for record in the clerk's office to-day. The distillery will be operated by three brothers named Shore, recently from North Carolina. The maximum capital is \$25,000.

In his testimony before the jury day before yesterday, Julius A. Williamson, on trial for the murder of his wife, declared that he made his escape from the temporary jail here "through the doors, which had been opened for him." This statement the City Sergeant and his deputies declare to be untrue, that no doors were opened for him; that he cut his way through the floor, broke through a window and jumped out on a shed. Williamson stated this much when he was captured and brought back.

Fire at Matoaca.
A large barn, belonging to James Wilkinson, in Chesterfield county, near Matoaca, was destroyed by fire early last night, and a quantity of hay and other feed was burned.

Mr. Wilkinson saved his home. His loss is probably \$500 or more, with no insurance. The origin of the fire is not known.

A little son of Vincent Russo, a fruit merchant on Sycamore Street, was kicked and severely injured by a horse this afternoon. The boy was riding on his father's delivery wagon on Bank Street, when the horse became frightened by the breaking of a portion of the harness, and began kicking. The boy was struck on the leg and badly cut.

Several Petersburgers will have their horses on exhibition at the Richmond Horse Show in May, among them: Capt. M. C. Jackson, H. S. Seward and E. B. Snyder. In the hunt team class several good Petersburg hunters will also be represented.

There are rumors of probable opposition to the councilmanic tickets in one or more wards, at the election to be held in June.

A large delegation from Camps 31 and 38, Patriotic Order Sons of America, of Richmond, paid a fraternal visit last evening to the Petersburg Camp, and the visitors were cordially received and delightfully entertained.

MACHINE RULE DENOUNCED

Exciting Incidents in Connection With Democratic Meeting in Raleigh.
[Special to The Times-Dispatch.]
Raleigh, N. C., April 30.—The highest expectations of those who anticipated the sensational connection with the Wake county Democratic mass-meeting, called by J. W. Bailey, editor

TO EVERY TRUE HEARTED VIRGINIAN

It is feared that the general public does not understand fully how the Home for Incubables is sustained. Founded on faith, it has struggled through the years with the sole support of the people of Richmond, and now is filled with pathetic helplessness. The increased cost of living, the growth of the work, the condition of the inmates and the necessarily personal care required has taxed our treasury beyond its limits.

The past year disbursements have exceeded our income about \$5,000; but we trust the leaflets sent broadcast may tide us over the present crisis. We dare not turn these helpless ones adrift after assuring them of a permanent comfortable home. Patients from all parts of the State are sheltered within our walls, hence assistance should come from all sections to this, the only institution of its kind in the domain of Virginia. If only enough friends would increase our endowment fund sufficiently we could promise future independence. If you would go with us and see the bright faces and hear the grateful utterances of these afflicted ones, you would realize the importance of this burden we are trying to carry. The board pleads for co-operative interest and support. An active love that prompts the loosening of the purse-strings, the cup of cold water to be given more frequently, and that makes us love our neighbor as ourselves, is all we need.

Healthy Kidneys No Pain or Ache at 100 Years of Age

Mr. John M. Butler, of Ocean Grove, N. J., who is more than 100 years old, has been cured of kidney trouble and is without a pain or ache at the advanced age of 100.

Mr. John M. Butler is happy in the enjoyment of health and strength, and is free from any organic trouble excepting impaired eyesight.

This case is an illustration of what Warner's Safe Cure, the great remedy for kidneys, liver and bladder, will do for any one suffering with trouble of these organs, even at an advanced age. In his own way Mr. Butler tells of his experience and expresses his gratitude: "While on my farm, known as Deer Park Farm, near Babylon, Long Island, I contracted a severe cold, which settled on my bladder, causing dangerous inflammation of same. Three physicians attended my case, and on consultation they told me that I would have to die, and could not live longer than, at the utmost, thirty days. In this extremity I decided to visit my son-in-law in New York and see some other physician there. The former advised me to try Warner's Safe Cure, and I bought six bottles of same. Before I had finished the medicine I was cured, and I am indebted to this wonderful remedy for my enjoyment of excellent health to-day, with the exception of impaired eyesight."

"I was born January 16, 1810, which is recorded in my family Bible, and therefore entered on my 100th year the middle of January."—JOHN M. BUTLER, Ocean Grove, N. J.

Diseased kidneys cause more sickness, suffering and serious complications than any other disease. Thousands of people have kidney troubles and do not know it. If in doubt make this test: Put some morning urine in a vessel; let it stand 24 hours. If there is a reddish sediment in the bottom of the glass, or if the urine is cloudy or milky, or if you see particles or germs floating about in it, your kidneys are diseased and you should get a bottle of Warner's Safe Cure at once.

Warner's Safe Cure is made from the fresh juices of plants and medicinal roots, gathered at the proper season in the various quarters of the globe. Men skilled in botany and chemistry compound it. It is pleasant to the taste and agreeable to the most sensitive stomach. It is put up in 50c and \$1.00 sizes and sold by all druggists.

Warner's Safe Pills, purely vegetable, sugar-coated, absolutely free from injurious substances, a perfect laxative, will cure indigestion, biliousness, torpid liver and constipation. They do not gripe or leave any bad after-effects. 25 cents a package.

To convince every sufferer from diseases of the kidneys, liver, bladder and blood that WARNER'S SAFE CURE will absolutely cure them, a sample bottle and also a sample box of Warner's Safe Pills will be sent FREE OF CHARGE, postpaid, to any one who will write WARNER'S SAFE CURE CO., Rochester, N. Y., and mention having seen this offer in the Richmond Times-Dispatch. The genuineness of this offer is fully guaranteed by the publishers.

Josephus Daniels and other Democrats to-day, were outstripped in the actual development of the day. There were two meetings, one led by Mr. Bailey, and Editor Daniels, who first called the mass-meeting, was out at the curb in front of the courthouse, after vain attempts to meet in the Academy of Music and in the courthouse.

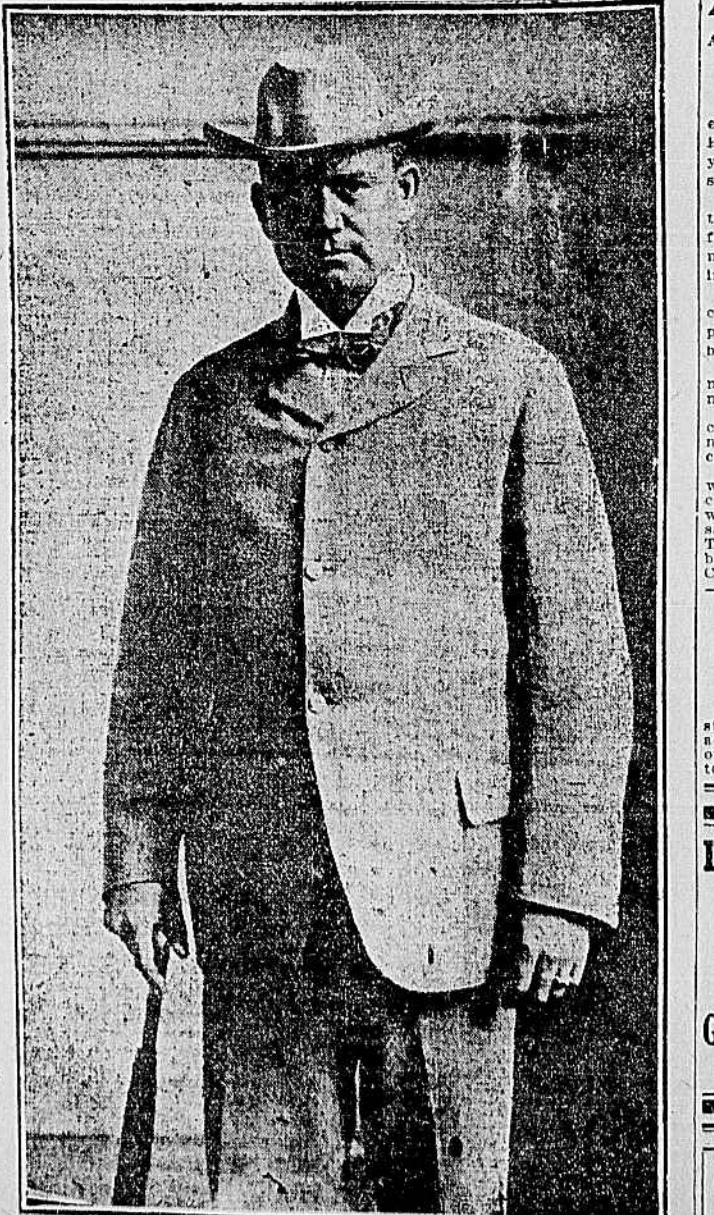

The Academy was filled, but believing the place packed to prevent their control, Mr. Bailey and his advisers called on followers to go to the courthouse. There was great excitement and confusion there, and finally Bailey, Daniels and their followers left the courthouse for the curb in front of the courthouse, where speeches were made and resolutions adopted, declaring war to the hilt in the June primaries against the machine.

Up in the courthouse, which was still well filled, Chairman Jones appealed for "all good Democrats to remain." Rufus Dunn, of New Light township, was nominated for chairman, and quickly elected. There were speeches by Armistead Jones, Dan Hugh McLean and others, when it was announced that court was waiting to convene, and a motion to adjourn prevailed.

The meeting on the curb by Mr. Bailey and his followers was an enthusiastic one. Mr. Bailey mounted a box and declared that the mass meeting was called for the purpose of showing what sort of machine rule exists. He declared that this day's proceeding was merely a skirmish and that the real fight would be among the people from now to the primaries. Editor Daniels spoke with great feeling, declaring that this day marked a declaration of independence for Wake Democracy and that there should be no let-up in the fight or compromise of any sort until the machine domination was dethroned and real Democracy put in complete control of party affairs. Mr. Daniels read resolutions, that were adopted by sections, denouncing the machine, calling for fair salaries for county officers, for equal distribution of legislative representation between Raleigh and the county, a square deal in road improvement, primaries above suspicion, against the use of money in primaries and to demand of the Democratic organization representation for the Bailey-Daniels faction at the primary polls.

Following the adoption of the resolutions, a motion "to adjourn, go home and get in the fight" was carried.

Southampton County Trustee to Show Accountant on May 9.

According to a letter received yesterday by the Department of Public Instruction, John N. Sebrell, Sr., clerk of the school board of Jerusalem Magisterial District, in Southampton county, has agreed to allow an examination of his books. May 9 has been set as the date.

The communication is from Division School Superintendent J. W. White, of Southampton, who was ordered by the State Board of Education to proceed at once to bring the matter to a settlement. Mr. White says that he called the county school board together, seventeen of the twenty-one members being present. A committee of five members, with an expert accountant, was appointed to examine Mr. Sebrell's books. The clerk agreed to permit his books and accounts to be examined.

Franklin, a town in the county, was chosen as the place, and May 9 as the time for the examination. The accountant is to be selected by the school board.

EARLY OPINION EXPECTED.

Case From North Carolina Before Interstate Commerce Commission.
[Special to The Times-Dispatch.]
Raleigh, N. C., April 30.—It is expected that within the next few days the opinion of the Interstate Commerce Commission, involving the case of the North Carolina Corporation Commission to compel the Norfolk and Western Railroad Company to give its Virginia city long haul rates to their terminal, Winston-Salem and Durham, will be handed down. Chairman McNeill, of the Interstate Commerce Commission, is also secretary of the Norfolk and Western Railroad Company, and it is believed that they are there on matters pertaining to the determination of the suit, which is expected to settle the long continued fight on the part of North Carolina shipping points for freight rates that will put them on a competing basis with Richmond, Lynchburg and Norfolk.

If the commission rules that the Norfolk and Western must give Durham and Winston-Salem these more favorable rates it will have the effect, it is believed, of the officers will meet in the hall at 7:30, preceding the entertainment.
